

The Grosse Ile Bicycle and Pedestrian Advisory Commission (BPAC) has been actively working on an official nonmotorized plan that will identify bicycle and pedestrian's issues and needs for Grosse Ile roads, paths, trails, and destinations.

BPAC is seeking win-win situations that promote safety, access to the gems of Grosse Ile, neighborhood tranquility, economic development, and preservation and/or enhancement of property values.

BPAC encourages you to be active in the planning and implementation of bike and pedestrian policies and projects.

Be a part of our effort:

- At our monthly televised meetings- Third Tuesday of the month; 7:30pm Township Hall
- On our webpage on Grosseile.com
- Through periodic articles in the Ile Camera and Grosse Ile –Trenton Patch
- By writing us via email or traditional mail

Contact us at:
