

2018 “Lights at Lyons”
Please join us for the
3rd Annual Lights at Lyons Park!
Sponsor and decorate a tree to
light up Macomb-Lyons Park.

Thank you for participating in the 2018 “Lights at Lyons” event. For \$65, the Downtown Development Authority will provide participating groups with the tree, stand, LED light strands, signage, proper disposal and maintenance. We will leave the decorating up to your imagination!

Please follow these simple rules & guidelines:

1. The Grosse Ile Downtown Development Authority (DDA) will supply a 6-foot tree and approx. 100 LED lights. Your tree will be identified by a sign with your business or group name and placed at Macomb-Lyons Park the week of November 26th.
2. Your tree must be decorated **before** 4pm on Friday November 30th (the night of Island Glow).
3. If you wish to use your own lights, we ask that you use LEDs. They use a lot less electricity, and will not risk popping a breaker.
4. Decorations can be handmade or store-bought...that is up to you! BUT, please be sure they are durable and will stand up to the weather and elements. They also must be wired or tied securely to the tree.
5. Decorations designed to feed wildlife are not allowed.
6. Please retrieve your decorations by January 2, 2019 so that Grosse Ile DPW may properly dispose of the trees. **If your decorations are not removed by 1/2/19, they will be disposed of.**

Trees for 2018 will be \$65 (includes tree, stand, use of LEDs, signage, proper disposal & maintenance)
