

Dear Prospective Parade Participant:

The 2012 IslandFest on the scenic island of Grosse Ile is the beginning of outdoor festival time in southeastern Michigan. This year's festival will mark the 28th time that residents have come together to offer this quality family friendly event showcasing the community's civic pride for all to share in during a very special three day period.

Each year, thousands of visitors and residents come to the festival to enjoy new activities and time honored ones. The perennial favorite is the parade held on Saturday during festival weekend. This year's parade on Macomb Street has been set for a 10:00 A.M. start time on Saturday, June 2, 2012.

We would be honored to have your group's participation in the 2012 IslandFest Parade. Your participation will help us reach our goal of staging the best Islandfest Parade ever!

If your group is able to participate in the parade, please complete and return the enclosed application form and group information sheet. Upon receipt of your confirmation, we will forward additional festival and parade information in the coming weeks.

The parade will be video taped by the staff of Grosse Ile Cable Television Department and replayed on local municipal channels at a later date.

Thank you for your consideration and support. We hope you can share in this special time with us on the beautiful island of Grosse Ile.

Sincerely,

Grosse Ile Festival Commission
(734) 675-2364
