Just go to Adobe Reader Free Download, follow the instructions and it's that easy.

We also have billing questions for you, can you help us?

The Department of Public Services is always looking at ways to improve our services. Based on public opinion we are considering changing the billing cycles in which you receive your water utility bill (i.e. monthly, bi-monthly or quarterly). So, if you have the time, please answer a few questions on the back of this form.

Please remember all the same guidelines apply:

1. Make checks payable to Grosse Ile Township.

4. You can also use our drop-box conveniently located at Township Hall to drop off your check or money order after hours or week-ends.
5. Bring a copy of your bill with you when paying in person.
6. Your failure to receive bill does not waive 5% past due penalty.
7. We are not responsible for you not receiving your bill due to change of e-mail address not reported to our office.
8. For information on paying by e-check or credit card go to the grosseile.com home page, click on treasurer's office, then click on credit card payments. Or click on the icon located toward the bottom of the home page.
