

Table of Contents

Chapter 1 Introduction.....1
 Description and Purpose of Master Plan..... 1
 Legal Basis for Plan..... 1
 Comparison of Master Plan to Zoning 2
 Previous Planning Efforts..... 2
 Master Plan Process..... 4
 Public Participation..... 4

Chapter 2 Goals, Objectives and Policies.....7
 Residential..... 7
 Macomb Street..... 8
 Airport/Commerce Park..... 9
 Natural Features 10
 Transportation 12
 Public Facilities and Services 14
 Recreation..... 14

Chapter 3 Demographic/Economic Conditions and Trends Analysis.....17
 Regional Setting 17
 Existing Population and Households 17
 Projected Population and Households..... 18
 Age Characteristics..... 22
 Housing Characteristics 24
 Ethnic Composition 25
 Educational Attainment..... 25
 Employment Characteristics 26
 Income 27

Chapter 4 Historical Setting29
 Areas of Historic Significance..... 30

Chapter 5 Existing Land Use.....33
 Existing Land Use Categories..... 33

Chapter 6 Future Land Use.....37
 Factors Considered..... 37
 Future Land Use Categories 37

Chapter 7 Residential Neighborhoods43
 Residential Areas..... 43
 Residential Neighborhood Elements 44

Chapter 8 Macomb Street Area.....47
 Design Standards 47

Chapter 9 Natural Features Plan.....53
 Existing Conditions 53
 Natural Features Management 60

Chapter 10 Transportation Plan.....65

Traffic Volumes 65

Bridge Traffic 66

Relationship Between Transportation and Land Use..... 67

Functional Classification 67

Roadway Improvements..... 68

Residential Roads 69

Traffic Calming 69

Traffic Impact Analysis 70

Access Management 70

Natural Beauty Roads 71

Non-Motorized Paths 71

Waterways 72

Airport 72

Chapter 11 Community Facilities, Recreation and Utilities Plan.....75

Educational Facilities..... 75

Police Protection 77

Fire Protection..... 77

Library Services 78

Recreation..... 78

Community Utilities 79

Township Hall..... 79

Department of Public Works Garage and Yard..... 80

Airport Administration..... 80

Chapter 12 Implementation.....81
